TOTALS	42.07	40.54	42.45	46.33	46.56	51.09	44.66	44.28	42.42		(400.40)	

1893 This return was omitted from British Rainfall as it showed an excess of 4 inches over 1892 (while surrounding stations showed a deficiency) and appeared very large in several months. The Quaker return subsequently received shows a similar excess over 1892 & generally supports Ballyboley.

1894 Ballynure Church 2 miles S
