TOTALS.....	94.50	137.82 136.50	143.00	128.50							

1871 Sept was originally returned as 15.50 Mr. McD. remarking that "the rainfall must have been exceptionally heavy" - After consultation with Mr. Buchan and comparison of all proximate registers 6.72 was adopted. Subsequently Mr. McD. seems to think 15.50 possible. *aff*
