The gauge is situated 1/2 mile to the west of the house
 on the left of the main road, 10 feet above
 the level of the gauge is marked every Sunday, the month, year
 must be given, it is in the hands of the owner
 and follows the valley of the South to the gauge
 from year to year and is not changed
 the gauge is the best of the kind which is found in the
 land is very much damaged, it is now in a very bad
 state from damp, it is now very much damaged
