1921. July &amp; Aug. estd.

# Reinstated.

1922. Including Dec 31. 1921. Aug. estd. gauge tampered with.

1923. Badly overexposed.

1924. Gauge moved.

1928. Now amount estimated. &amp; tampered with.

NG

In 1923 the latter pronounced this record useless due to overexposure & recommended removal to site near Princetown prison - 100' lower. A new record should have been made out from 1924.

Rejection from survey perhaps unnecessary if values 1924-29 are used.
