1920. Castle 90ft high 14 yds E

Inspected Ch. 24/3/22. Very much over-exposed on a terrace falling to north & south west. Castle on east, 4 stories below on E.

Moved to garden. An excellent site in sheltered garden with walls and buildings in distance on all sides. Belt of trees 30-40 ft. high 100 yds. N.E.W.

1922. Gauge moved 1st June 1907 ft S.

1923. Gauge low in several months - kept by an "old gardener" now retired. Recal will possibly terminate.
