* Autographic gauge controlled by Mersey River Bd. 5.677/43

Installed July 1956 in D.O.S. Gauge sound, but set in concrete. Site satisfactory but surrounded by trees about 20' high & recon. remove trees another 15' to allow for 7 years growth.

2.1.58 Eng. confirms gauge at 1' 0" always
high. The 1955 1956 trees all round slightly overstable. That's E.S. 1" can be thrown out.
