1951 Building 30' high at 60' E. Trees 20' high at 25' S.

1955. Station moved to a new site Sept. 1955. Overlap of a few weeks is inevitable but it is demonstrated that the new site is a better one. (I should have noted Nov. 1955 as old site was no longer available).

Rainfall gauge for old site until 1 Nov. 1955. Gauge moved Nov. 1955 to Surveyors Depot. Change noted in BR 1956 pages.

1956. Inspection. New gauge in very good condition and satisfactorily exposed. Diameter 5.0 x 4.95. Sept. 1956. 11/55 50(2) 771460 alt. 116m

11/55 new station number allocated because of move. Now treated as 2 separate stations 790461
