1951 NP. incomplete. For reasons of computation this is not a continuation of Gaubair (Aikquist).
 Ins. 2.5.58. Rather battered - rim dented - to be tried. It takes round the low ridge E, S.W. Exp sat in general perhaps a little S/E S.W. More into hollow ESE - would improve shelter S.W. but leave E rather more open.

Position of Station on Ordnance One-Inch map :

No. of Map

National Grid Reference 28/373710

Date.	Lat. N.	Long.	Railway Station.	Distance Direction from gauge	Parish Church.	Distance Direction from gauge.
