TOTALS.....								24.75	31.98	29.13	

c c c

Gauge in centre of kitchen garden quite clear of obstruction
 Cholisbury in on the Chesham Hills about 4 miles SW
 of Iring Station & about 3 miles from the edge of the
 precipitous chalk line of hills overlooking the Vale of
 Uxbridge, I estimate Cholisbury to be about 600 ft + 12
 it may be more but certainly not less

H P Juston

1867 - I think the fall in January cannot be included ~~487~~
