1920, School 30ft. 30ft. off. W.

1923 Low, not posted. Gauge moved 1.5.23. 20' SW.

1925 NF. Inspected by Mr. Ockendon. Site at edge of school allotment gardens 200 yds from school, on hillside slope about 1 in 30 from N.E.S., growing plants must seriously affect readings. 8ft hedge 25ft W and 20ft trees 40ft N. Measure has irregular base making reading of .01 & .02 very doubtful. New site suggested. ref f 697550/26.

Position of Station on reduced Ordnance Survey
