Year ...	1900	1901	1902	1903	1904	1905	1906	1907	1908	1909	MEANS.
January ...										4.40	
February ...										2.68	
March										3.68	
April										2.54	
May										2.80	
June										1.84	
July										4.44	
August										2.88	
September ..										2.96	
October ...										6.03	
November ..										1.63	
December ...									1.20	4.63	
TOTALS ...										40.51	

D

1908 This gauge erected Nov 15th 1 yard (or)
5 yards from old g.
West Linton Church 1/4 mile SE
Broomha Station 3/4 " SE
Village Club 10 ft high 30 ft SE
Rectory 20 " 30 " NW

1909. Obs. says that a careful comparison of the records of both gauges shows that with snowfall the new g. gives about 10% more than the old, while with R the old g. gives about 5% more than the new.
