Reported 21-3-60 by Miller. House 25'-12' NNW $\rightarrow$ W Tree 10'-12' SE. Observer declines to move gauge away from house though little improvement possible in any case. Reasonable to SW because more overclouded full time.

If Print with Intended gauge available.Position of Station on Ordnance One-Inch map: No. of Map 1M62/16514 National Grid Reference 1M62/16514
