* - 1950 The number of this Station was changed from 2421 to 2440/2 in January, 1950 on advice that the Gauge was in the Trent basin, not the Severn. The new number, 2440/2, was previously that of Dudley (Blind Coat School), which is actually in the Severn basin, not the Trent as previously thought. Blind Coat School now takes the number 2421/5C. See File 388509/35, Encl. 15A.
