1940 Jan part estd.

In November 1938 the self-recording rain-gauge was moved to the Memorial Park and readings from the 5" gauge abandoned. It continued to receive separate rainfall returns from 1) The Engineer 2) The Town Clerk. In 1940 it happened that whilst we were receiving from 1) a return made up from traces of a self-recording gauge & 2) a return from 5" clock gauge. Both at the Memorial Park.
