Lat. 53° 16' 21" Long. W. 2° 42' 40"

Gauge stands 'several feet' from stormwater stand in very spacious lawn in front of vicarage. The vicarage stands amid fields known as Black (presumably on account of black winds which sweep across them, chiefly from S.W.) The lawn is sheltered from winds on W, S.W. & S. (from a comparison to the Dantzian 1869)
