Site q/s by cottage and overhang by overlap. After 12 months overlap
 g. was removed on 16.1.58. H.E.B. did not like new site and
 selected a better one 25' N.W. (This is site no 3, 28/22310 Sta. No 5713/78)
 Many tall trees round both sites (i.e. 243) but not likely to give
 trouble at No. 3. No 2 will overlap for 12 months with No 3

1960. Gauge up lifted.
