1953. Looks a little low but accept.
 1st June 1956. G. sound. Set at 8". Lean slightly north. Marked slope down to W. of 16 W. 9 NW.
 Recommend move to 2nd cottage into small hollow. Shelter between SW & NW by buildings
 & wall and by higher ground in other directions. New site not ideal but a great improvement
 1956. O.K. before June.
