1951 imp. imp.
Ins. June 1956. G sound. Measure instead of bottle. Excellent site in hollow but risk of o/s by rustlers. Snow is allowed to melt in situ. ~~Funnel~~ removed meshes.
N.S.H.B Ins. June 1959. A new and much better down has taken over. G. is in a hollow - sheltered by trees & SW o/s. Seems exceptionally good site for such a spot.

6/2305
